The petitioner has approached this Court after filing Ext.P5 representation addressed to the Chief Secretary to Government, requesting that the Government may take a decision to give appointment to all the handicapped persons. Whether or not the Government would like to take such a decision is a matter of policy. It is, however, relevant to note that law does not permit such executive decisions since the field is occupied by statutory provisions. Therefore, no direction as prayed for by the petitioner can be granted.

2. The petitioner, is not expected to style himself as the spokesman of all the persons with disability and represent to the Government as though he is authorised to represent them.

The writ petition is liable to be dismissed. I do so.

K.K.DENESAN, JUDGE.
